SAFETY DATA SHEET (SDS)
GreenClean® Granular Algaecide

Section 1: Identification

Product Name: GreenClean® Granular Algaecide
Recommended Use: Algaecide / Fungicide
Use Restrictions: It is a violation of federal law to use this product in a manner inconsistent with its labeling.
Manufacturer: BioSafe Systems, LLC
22 Meadow Street | East Hartford, CT 06108
Telephone Number: 1-888-273-3088

Emergency Number: 1-800-424-9300 (CHEMTREC)

Section 2: Hazard Identification

Acute Toxicity
Oral: Category 5
Serious Eye Damage/Eye Irritation: Category 1

Hazard Statements
H303: May be harmful if swallowed.
H318: Causes serious eye damage.

Pictograms
Signal Word
DANGER

Precautionary Statements

General
P101: If medical advice is needed, have product container or label at hand.
P102: Keep out of reach of children.
P103: Read label before use.

Response
P301+P312+P330: IF SWALLOWED: Call a POISON CENTER/doctor if you feel unwell. Rinse mouth.
P303+P352: IF ON SKIN: Wash with plenty of water.
P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
P312: Call a POISON CENTER or doctor if you feel unwell.

Prevention
P264: Wash skin thoroughly after handling.
P280: Wear protective gloves, clothing, eye protection, face protection.

Storage / Disposal
P405: Store locked up.
P501: Dispose of contents/container in accordance with local/regional/national/international regulations.

Section 3: Composition / Information on Ingredients

Components | CAS-No | % Composition (w/w)
--- | --- | ---
Sodium Carbonate Peroxyhydrate | 15630-89-4 | 42.5%
Sodium Carbonate (Soda Ash) | 497-19-8 | 42.5%

Section 4: First-Aid Measures

Eye Contact: Hold eye(s) open and rinse cautiously with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye(s). Call a poison control center or doctor for treatment advice.

Skin Contact: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice if irritation persists.

Ingestion: Call poison control center or doctor immediately for treatment advice. Rinse mouth with water. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Inhalation: Move person to fresh air. If person is not breathing, call 911. Call poison control center or doctor for treatment advice.

Notes to Physician: Material is corrosive and probable mucosal damage may contraindicate the use of gastric lavage.
### SAFETY DATA SHEET (SDS)

**GreenClean® Granular Algaecide**

**Section 5: Fire-Fighting Measures**

| Suitable Extinguishing Media | Water, carbon dioxide, alcohol foam. |
| Unsuitable Extinguishing Media | None known. |
| Combustion Products | Carbon monoxide, carbon dioxide, oxygen. |
| Unusual Fire and Explosion Hazards | Oxidizing substance, exothermic decomposition releases oxygen, may support combustion. |
| Protective Equipment for Firefighters | Full chemical protection suits and boots (rubber or PVC) and self-contained breathing apparatus. Cordon the area to keep out all unnecessary personnel. Keep upwind. Use large quantities of water spray to fight fire. Cool containers / tanks with water spray. If safe to do, move product away from fire to secure area. Eliminate all possible sources of ignition and remove flammable material. |

**Section 6: Accidental Release Measures**

| Personal Precautions | Work to prevent dust cloud formation. No open flames in area. Wear protective clothing and glasses. |
| Emergency Procedures | Ensure clean-up is conducted by trained personnel. Personnel should wear appropriate protective equipment. Remove all sources of ignition. If facing concentrations above exposure limits personnel shall wear certified respirators. |
| Environmental Precautions | Prevent undiluted spillage from entering sewers, basements or watercourses. |
| Methods and Material for Containment and Clean-Up | Sweep up to prevent slipping hazards. Place spilled material into a suitable container using protective clothing, avoid dust cloud formation. After removing material, clean affected area/surfaces with an excess of water. |

**Section 7: Handling and Storage**

| Handling | Avoid creating dust. Keep away from open flames/heat. Keep container closed tightly when not in use. Wear safe clothing and eye protection. Never return unused product to original storage container. |
| Storage | Keep container closed tightly in storage. Store in a dry location and out of direct sunlight. Store separately from incompatible materials. |
| Incompatible Materials | Oxidizing agents (strong acids/bases), metals, organic materials, water/moisture. |
| Compatible Materials | Stainless Steel, Polyethylene, Paper with PE coating |

**Section 8: Exposure Controls / Personal Protection**

| Engineering Controls | Avoid raising dust. Keep away from flames/heat. General room ventilation is required, maintain adequate ventilation. Emergency eye wash station should be in close proximity. |
| General Hygienic Practices | Do not eat, drink or smoke during use. Wash hands with soap and water after use. |

**Personal Protective Equipment**

- **Respiratory Protection**: For most conditions, no respiratory protection should be needed. For excessive dust condition: dust mask or NIOSH approved particulate respirator.
- **Eye / Face Protection**: Chemical goggles or face shield.
- **Hand Protection**: Chemical resistant gloves.
- **Skin / Body Protection**: Wear suitable protective clothing. Apron and boots made of butyl rubber for high risk exposure.

**Section 9: Physical and Chemical Properties**

**Section 10: Stability and Reactivity**

- **Reactivity**: Decomposes when moist or when heated. Potential for exothermic hazard.
- **Stability**: Stable under recommended storage conditions. |

### Section 12: Ecological Information

- **Ecotoxicity:** No data available.
- **Persistence and Degradability:** Biodegrades rapidly into water and oxygen.
- **Bioaccumulative Potential:** Does not bioaccumulate.
- **Mobility in Soil:** Non-significant adsorption in soil.
- **Results of PBT & vPvB:** This mixture contains no substance considered to be persistent, bioaccumulating nor toxic (PBT).
- **Other Adverse Effects:** None known.

### Section 13: Disposal Considerations

- **Waste from Residues and Unused Product:** Dispose of waste material in accordance with all local, regional, national, provincial, territorial and international regulations.
- **Contaminated Container Disposal:** Do not reuse or refill containers. Triple rinse empty containers with clean water. Clean and empty containers should be taken to an approved waste handling site for recycling or disposal.

### Section 14: Transport Information

- **UN Number**
- **UN Proper Shipping Name**
- **Hazard Class (Subsidiary)**
- **Packing Group**
- **IATA**
- **Marine Pollutant**
  - Not regulated

- **Special Precautions:** None known
- **Shipping Placards:** None

### Section 15: Regulatory Information

#### TSCA Inventory List
- Sodium Carbonate Peroxyhydrate: Yes
- Sodium Carbonate: Yes

#### US EPA CERCLA Hazardous Substances
- Sodium Carbonate Peroxyhydrate: NA
- Sodium Carbonate: NA

#### Clean Water Act
- Sec 311 / Sec 312 Hazard Category: Physical: Oxidizer, Corrosive
- Health: Acute Toxicity; Serious Eye Damage or Eye Irritation
- Sec 313: NA

#### SARA Title III
- Sec. 302 TPQ.: NA
- Sec. 304 RQ.: NA

#### California Prop 65
- This product does not contain any substances known to the state of California to cause cancer, developmental and/or reproductive harm.

#### FIFRA
- This product is a registered pesticide with the United States Environmental Protection Agency and is subject to EPA labeling requirements under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). These requirements may differ from the classification criteria and hazard information required for a safety data sheet under the Global Harmonized Systems (GHS), and for workplace labels of non-pesticide chemicals. It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Always refer to product label for further precautionary information and use directions.
Section 16: Other Information

According to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

To the extent of our knowledge, the information herein is accurate as of the date of this document. However, neither BioSafe Systems nor any of its affiliates make any warranty, expressed or implied, or accept any liability relating to the information or its use. The information is for use by technically skilled persons at their own discretion and risk. This is not a license or a patent. The user alone must finally determine suitability of any information or material for any contemplated use, the manner or use and whether any patents are infringed. Always read and follow label directions.
